

Eggs-traordinary bouquets of gratitude for the mighty crew of social gardeners who pulled weeds in the street tree wells of the Old Town core of downtown Morro Bay and

who prepared a large planting bed for April 27th's I  MB event, **including Steve Linzmeier, Melissa Bayhan, Mike Melen, Cynthia Thorburn (welcome!), Chad Harsch (welcome!), Jan Goldman, Matt Makowetski, Jen Martinson and Zoe Ann Melen.** Old Town looks so much more ready for business as a result of your efforts!

TWiB

Wednesday, April 3, 9-11 a.m.: You are invited to socially garden at the corner of Beach and Front Streets. Please meet at the hot-coral geranium beds. **We will be spreading decorative mulch at the street median we re-planted but that won't take long so, after mulching, we will move to City Park and weed the street tree wells along Morro Bay Boulevard from Bernardo Avenue to Napa Street. Calling all Bloomies to show up if you can at Beach and Front. Please reply and let me know if you can help weed the street tree wells along Morro Bay Boulevard and I will bring the necessary tools to Beach and Front.**

Saturday, April 6, 9-11 a.m.: You are invited to garden at Morro Bay Boulevard Roundabout. Please meet near the mini-mart of the Sinclair gas station. The MBiB equipment trailer will be parked there.

I MB Update

I'm so hoppy with the response to this event! Pretty close to eggs-tatic. Three projects have been added (so we're up to nine). 100 volunteers have pre-registered at morrobayinbloom.org/i-love-mb. We are planning for 120-150 volunteers to include school groups, scout troops and day-of-the-event walkups in our estimate. **Donations are needed to equip many more people than we're used to. Please send checks made payable to Morro Bay in Bloom to P.O. Box 782, Morro Bay, CA 93443. Your entire donation will fund the purchase of plants, landscape materials, tools and safety equipment.**

Never underestimate the power of small things done with great love,
Walter
