

Hi All,

Serene bouquets of gratitude for the amazing crew of Saturday social gardeners who performed amazing feats of gardening derring-do **including Steve Linzmeier, Zoe Ann Melen, Melissa Bayhan, John O'Brien, Jen Martinson, Leif Nelson, Jan Goldman, Matt Makowetski, Cindy Heibel and Cynthia Thorburn (welcome!)**. It took MBiB's \$1,000 investment in plants and materials and five two-hour sessions to transform the crowded succulent bed at the top of Centennial Stairway (that we planted ten years ago) into a suitably-scaled landscape for **the peace pole that will be dedicated today at 2 p.m.** **Seven pickup truck loads of green waste, much soil movement and root removal, yards of weed barrier fabric, two tons of crushed rock and several beautiful plants have produced a lovely space for reflection. We're looking forward to selecting the perfect bench and adding a kid-sized labyrinth made of rocks that will be painted at I**  **MB!**

TWiB (This Week in Bloom)

Wednesday, April 24, 9-11 a.m.: You are invited to socially garden at the corner of Beach and Front Streets. Please meet at the hot-coral geranium beds. We will get Don set up to water with a hose tender and the rest of us will proceed to weed the most weedy tree wells along Morro Bay Boulevard.

Saturday, April 27, 9-11 a.m.:  **MB!** Four months of preparation will come to fruition at what will surely be a grand event!
